mod Attention has been called severals character of the gattantes 1/0 per conducting water to started. I have crippled several people and have got one fellow up a tree, where I can get him if I want him. But I can get him if I want him and have got one fellow up a tree, where I can get him if I want him be thought I would call in here as I passed along and make the thing perfectly certain; and now it is certain, and I tell you it is lucky for the chap that is in the tree. I should have killed him, sure, as I went back. Good-by, sir, good-by—you have taken a great load off my mind. My reason has stood the strain of one of your agricultural articles, and I know that the fighting and the started. I have crippled several people when employed for conducting water to could unbosom his mind. At length the wonderful aptness. It is hard and ugly missionary of the old church came along, and have got one fellow up a tree, where the use of this pipe are continually coming to our notice, and have got one fellow up a tree, where the set of the gattantes of the fortineations from talling into could unbosom his mind. At length the wonderful aptness. It is hard and ugly missionary of the old church came along, and haven't you read, time and looking for. So the weeping man approached him and inquired with great of dealers and manufacturers to recommend the lower condinit, as they thereby jeop-back. Good-by, sir, good-by—you have taken a great load off my mind. My reason has stood the strain of one of your agricultural articles, and I know that agricultural articles, and I know that nothing can ever unsent it now. Good-do not understand the nature of the cov-I felt a little uncomfortable about the cripplings and arsons this person had been entertaining himself with, for I could not But this is an error; it will rust even entertaining himself with, for I could not more rapidly than clean iron in most places. The superficial covering of zinc for the regular editor walked in: It thought to myself, now, if you had gone to Egypt, as I recommended you to, I might have had a charge the formed which are formed which are formed which to Egypt, as I recommended you to, I might have had a chance to get my hand in; but you wouldn't do it, and here you are. I sort of expected you.]

The editor was looking sad and perplexed and dejected. He surveyed the have known it to be entirely removed in forty-eight hours. The insoluble carbonate of zinc is seen to float upon the water in the tea-kettle, and other water vessels used in families, and this has often created alarm, where no suspicion previously existed. We hope the newspaper press throughout the country will caution

The Marseillaise Hymn.

their readers against the use of this pipe

Ye sens of Freedom wake to glory.
Hark, hark, what myriads bid you rise?
Your children, wives and grandsires hoary,
Behold their tears and hear their cries?
Shall hateful tyrants mischief breeding.
With hireling hosts, a ruffian band,
Affright and desolate the land,
While peace and liberty lie bleeding?
To arms, to arms ye brave?
Th' avenging sword unsheathe?
March on! March on!
All hearts resolved on Victory or death?

Now, now the dangerous storm is rolling.
Which treacherous Kings confederate ra
The dogs of war, let loose are howling.
And los' our walls and cities blars'
And shall we basely view the ruin,
While lawless force, with guilty stride.
Spread desolution far and wide,
With crimes and blood his hand embruing '
To arms, to arms ye brave'.
Th' avenging sword unsheath'
March on! March on'
All hearte resolved on Victory o death'

With luxury and pride surrounded. The vile insatiate despets dare, Their thrift of gold and power unbounded.

To mete and vend the light and air'
Like beasts of burden would they load us,
Like Gods, would bid their slaves adore:
But man is man, and who is more? fines shall they longer lash and good us."
To arms, to arms ye brave!
Th' avenging sword unsheathe!
March on! March on!
All hearts resolved on Victory or death

Once having felt thy generous fame: Can dungeon, bolts and bars confine theo Or whips thy noble spirit tame? For long the world has wept, bewailing First falseland; slauser trungs wield.

And all their arts are unavailing To arms, to arms ve brave!

strangers is forever a matter of astonishment to foreigners. It would be as much a matter of astonishment to ourselves if we once stopped to think about it. A gentlemen is casually introduced, a lively conversation follows, calls are made next day for a week to come, rides, firstations and love-making entered upon, and often times, after no more than a fortnight's was agreed by the treaty of Prague that the rising generation being of Austria and properties," and will hair over a "skating park" on a man's head in three days, if taken according to directions.

A member of the School Committee of Troy demanded the reading of a letter soned by 8000 men, but after the decisive defeat of Austria in the late contest it was agreed by the treaty of Prague that

than three hundred miles from New York, which resulted most disastrously. A young man stopping temporarily in town saw and fancied a young lady upon the street, ascertained her name, etc., forged a letter of introduction, presented it, with himself, and was most cordially received by the young lady and her parents. Walks, rides and series of the strongest cities in the world. The following epitaph may be seen by any visiting the old graveyard at Hallowell:

Here lies the body of Jones the poet.

That is, he thought so, and tried to show it,

But before he'd made the world believe about 20 miles west of Frankford. received by the young lady and her par-ents. Walks, rides and excursions en-sued, and in less than a month the two were married. Almost immediately, the were married. Almost immediately, the true character of the 'handsome, agreeable and intelligent young man' came to light. He was a rogue, a gambler, and had a wife in a distant state. He was arrested, tried for bigamy, and sentenced to Auburn State Prison for the term of five years. The girl died of a broken heart, and her mother, overwhelmed with

boys of your own neighborhood. Be too proud to become a prey to these gorman-dizers of human hearts, who give gratui-

is little doubt, however, that the fighting breitstein is mounted with 600 pieces "Why, yes, it must be true, for the Bible says it."

"Does the Bible says it?"
"Certainly the Bible says it, for that is where the young man got it from. He would not know it if the Bible had not look and the B

scent. The fortress has been lately strengthened, and the numerous outworks and detached forts, including the citadel, render it a place of great strength. A bridge here crosses the Rhine, which is strongly fortified on the French side. Though partially upon the Rhine the town lies chieff, recent here. cleanseth from all sin. Then this young is also bridged.

important strategic point in the eastern part of France, and has a most powerful and a considerable suburb. But there is part of France, and has a most powerful fertress, which is yet uncompleted. The city contains 60,000 inhabitants, and a garrison of 10,000 mec. A strong wall with bastions surrounds it, and the fortifications at large are constructed with a due allowance for the force of modern projectiles. They stand on four commanding sites. The river Seille meets the Moselle at this point, and, in case of proaches into Hesse-Cassel and Hanover. the Moselle at this point, and, in case of a siege, the water of both streams can be a siege, the water of both streams can be raised sufficiently to inundate the low d'armee ground to the south and southwest of the

times, after no more than a fortnight's acquaintance, confidence given that not less than half a year's acquaintance. Was agreed by the treaty of Prague that the rising generation, by saying: "I want it read, and then I'll blow his brains its garrison withdrawn. This stipulation out if he don't retract every word of it." was insisted on by Austria, but the Prus. This is teaching "the young idea how to sians have never carried out the condi. shoot" literally.

heart, and her mother, overwhelmed with Confederation, but since Sadowa its gargrief, soon followed her to the grave.

I hate distrust and suspicion, and should the last to engender such a feeling from Strasburg, and will undoubtedly be in anybody toward mankind. But I also hate to see girls die broken-hearted, or their lives blasted by the rascality of some the Vauban system, and declared to be a Mad down are a superior of the value heartless, unprincipled villian, when all perfection of engineering, but experience mond. the evil might have been averted by mere has proved that earthworks are stronger womanly, sensible prudence. A man, than stone walls. There are three large whether honorable or dishonorable, ad- forts on the little river which runs past Pie-plant. Adieu.

I then left.—Galaxy for Judy.

A Kansas gentleman had to defend his ceracity against the assanits of a maligner by lodging forty-eight stabs in his worthy and desirable, and yet in reality whether honorable or dishonorable, admires a girl all the more for the exercise of discretion and care in regard to her associations. It is an established fact that a man may seem to be all that is worthy and desirable, and yet in reality whether honorable or dishonorable, admires a girl all the more for the exercise of discretion and care in regard to her associations. It is an established fact that a man may seem to be all that is worthy and desirable, and yet in reality about to form there. Should it be necessarily against the assanits of a maligner of the exercise of discretion and care in regard to her associations. It is an established fact that a man may seem to be all that is worthy and desirable, and yet in reality about to form there. Should it be necessarily against the assanits of a maligner of the exercise of discretion and care in regard to her associations. It is an established fact that a man may seem to be all that is worthy and desirable, and yet in reality and the fortion of the little river which runs past Rastadt, which have many bastions, wet ditches, curtains, glacis and lunctes, but the ditches, curtains, glacis and lunctes, but the fortified camp which the Prussians are about to form there. Should it be necessarily as the little river which runs past Rastadt, which have many bastions, wet ditches, curtains, glacis and lunctes, but the second ditches, curtains

"There, there—that will do! I know I am all right now, because you have read it just as I did,word for word. But, stranger, when I first read it this morning. I said to myself, I never, never believed it before, notwithstanding my friends kept me under watch so strict, but now I believe I am crazy; and with that I fetched a howl that you might have heard two miles, and started out to kill some—the control of the first read it places and it provides a man was fully cured.

The read of the summer has come, and it places a man who blew street that will do, sir.

The read of salts—codfish.

Not every suit at Long Branch is a bathing suit.

Sitka is being civilized. It has had a fetched a howl that you might have heard two miles, and started out to kill some—the country in mind. Be civil and courteous, but don't open the door of your heart to everybody who happens to dress well, and can turn the compliments more graciously than the honest and perhaps awkward country and again in 1799, its fortification has lawyer—(Considerably abashed) That ing girl.

A cannon at the Palais Royal is discourse the country, let the girls bear this sad story in mind. Be civil and courteous, but don't open the door of your heart to everybody who happens to dress well, and can turn the compliments more graciously than the honest and perhaps awkward country and again in 1799, its fortification has lace, and lined with white silk.

been trebled and quadappled in strength, and the entire hill has been turned into a fortress. It has been thought unnecessary to scrape the steep sides, though it is on record that a British tourist, accompanrecord that a British tourist, accompan-ied by a terrier, made the ascent, to the intense astonishment of the sentry. The garrison amounts to 14,000 men, and has been hitherto under the command of Gov. Prendzynski, who belonged to the Eighth Army Corps, commanded by Gen. Her warth, whose headquarers are in Cobientz on the opposite side of the river. The troops are furnished with water by an artesian well, and the fortress contains a steam cooking apparatus of unexampled magnitde. Provisions for three years are continually kept in store, and the greatest THE PROBABLE CAMPAIENING GROUND.
